

2009 Preschool Registration

at Childkind Preschool Laguna Road

Welcome to Childkind!

As a new or returning parent at Childkind Preschool we welcome you to our program and community. In the 23 years we have been caring for children in the West County our goal has never changed—to nurture in children a life-long love of learning and respect for self and others. We appreciate the opportunity to be part of your family!

The Summer Program

Childkind's summer program is designed to meet both your need for ongoing childcare and your child's need for a stimulating summer experience. We build on our play-centered curriculum with additional outdoor time, special summer projects, and additional water play to create an environment that is both fun and educational. The summer is a perfect time to gradually introduce your child to preschool or to round out your child's other summer plans.

The summer program runs from June 22 to August 14. We are closed June 15th to 19th and August 17th to 21st. During the summer we require four weeks notice for any change of schedule.

The School Year Program

The heart of Childkind is our school year program that runs from August 24, 2009 to June 2010. The focus of this program is on young children ages 2 to 3. We do not require potty training. Our child-centered, play-based curriculum is specially tailored to help your child develop the social, emotional, language, and school skills they need for a life-time of success. Children age 3.8 to 6 years are served at our Childkind Oak Grove site.

More information about our school year program and our overall philosophy and policies is available on the Childkind Schools website, www.childkindschools.com.

Registration process & timeline

Each year in April we accept registrations from returning children, siblings of children who have attended Childkind in the past, and new children, in that order. Registration for returning children and siblings is from March 23rd to April 10th. Registration for new families starts April 20th.

We reserve space in the order we receive registrations. To complete enrollment, simply fill out the form on the reverse of this sheet and attach \$100 check.

Materials / Registration Fee

We require all registrations to be accompanied by an annual materials/registration fee. The materials/registration fee is non refundable. This fee both holds your spot and encourages you to make a firm commitment to enroll your child. The annual materials/registration fee is \$100.

Tuition Schedule

	2 Days	3 Days	4 Days	5 Days
Preschool (9 am to 12:30 pm)	\$255	\$320	\$380	\$435
