

2019 Registration - Childkind Preschool

Welcome to Childkind!

As a new or returning parent at Childkind Preschool we welcome you to our program and community. In the past 33 years we have been caring for children in the West County our goal has never changed- to nurture in children a life-long love of learning and respect for self and others. We appreciate the opportunity to be part of your family!

The Summer Program

Childkind's summer program is designed to meet both your need for ongoing childcare and your child's need for a stimulating summer experience. We build on our play-centered curriculum with additional outdoor time, special summer projects, and lots of water play. The summer is a perfect time to gradually introduce your child to preschool or to round out your child's other summer plans. The summer program runs from June 17th to August (TBD possibly August 19th). We are closed June 7th- 14th and August (TBD possibly 12-16th).

The School Year program

The heart of Childkind is our school year program that runs from August 2019 to mid-June 2019. Our child-centered, play-based curriculum is specially tailored to help your child develop the social, emotional, language and school skills they need for a life-time of success. Children age 2 to 4yrs play and learn at Childkind Preschool. More information about our school year program and our overall philosophy and policies are available on the Childkind Schools website, www.childkindschools.com

Registration Process & Timeline

Each year in March/April we accept registrations from returning children, siblings of children who have attended Childkind in the past, and new children, in that order. Registration for returning children and siblings is from March 8th to March 21st. Registration for new families starts April 2nd

Materials/Registration Fee

We require all registrations to be accompanied by a \$100 annual non-refundable materials/registration fee. This fee both holds your spot and encourages you to make a firm commitment to enroll your child. We reserve space in the order we receive registrations. To complete enrollment, fill out the form on the reverse of this sheet and attach a \$100 check.
